Band Camp 2011 at Lake Murray Lodge

Band Camp 2011 takes over Lake Murray Lodge. This beautiful facility offers a wide range of rehearsal space, clean comfortable guest rooms, and a variety of cabins for our campers. With camp right at the lake, you can count on an abundance of water sports. Don't miss out!

✧ What is Band Camp? ✧

Every summer, the Music Learning Foundation sponsors a week-long band camp for young musicians. Band camp is an exciting week of music making, education, and just plain fun. No student should miss this great week!

Band Camp is a great opportunity for young musicians to spend a week practicing and learning new music, participating in specialized master classes on each instrument, and studying basic and advanced music theory and history. Students can even learn a second instrument! In addition to the musical opportunities at band camp, campers also participate in a wide range of recreational activities from swimming in beautiful, clear Lake Murray, riding horses, frisbee-golf, to fishing, riding a paddle-boat, taking a boat cruise to Tucker Tower, and more. At the end of the week, all the bands perform a concert for parents, friends, and the local community. All this is just the beginning; look inside for more information about this summer's Band Camp at Lake Murray!
